About This Game

**How much contraband do you think can be smuggled in one truck on a third-world country border?
As a contraband police inspector, do your best to find out!**

-

Validate documents

Check driver's license, transport checklist and other documents to find any discordance with the actual state.
Allow or deny passing the border.

-

Examine vehicle for technical faults

Be alert for any deviations from the norm like spilled oil, broken lights or bald tires.
Write a ticket suitable for the failures found.
You are responsible for allowing faulty cars pass the border.

-

Discover contraband

Search for smuggled alcohol, drugs, weapons and other illegal objects hidden inside car parts or cargo.
Decide whether to report found contraband or take a bribe and let the smuggler through.

-

Upgrade your post

Gather police respect for your great work or loose it for mistakes.
 Spend your points on post upgrades like new inspection tools, barriers, K-9 dog and many more.

-

Complete different tasks each day

New day can bring some unexpected restrictions for vehicles like max emission of exhaust gases,
 total weight or banned cargo.
